

欽哲要來

歌詞改編/任祥 翻譯/姚仁喜

1.聽見 欽哲他要來
我從昏沉歲月醒過來
我想 我等 我期待
未來卻不能由我安排

2.4.祈禱 欽哲能快來
這裡有一群人在等待
向左向右向前看
您卻拐幾個彎才來

3.5.我看見您 會有怎樣的對白
我等的您 他在多遠的未來
我期待您 耐心聽我的告白
我排著隊 拿著問題號碼牌

6.我往前飛 飛過一片時間海
看見自己在生活裡受傷害
我看著路 夢的入口有點窄
只有靠您帶我勇敢走過來
總有一天 我的迷惘會解開

Khyentse Is Coming

Lyrics Rewrite by : Shyang Jen Translate by: Kris Yao

I heard, Khyentse is coming
I woke up from my sleepy days.
I think I wait I expect
But I cannot arrange my future

Pray that Khyentse will come quickly;
A group of people is anxiously waiting.
Look to left; Look to right; Look forward;
Yet you made several turns before finally arrive!

When I see you, what will the dialogue be?
You who I am waiting, how far is he into the future?
I expect you, to listen to my confession.
I wait in line, holding a queuing slip for questions.

I fly ahead; flying over a sea of time;
See myself injured in life.
I watch the path; the entrance to the dream is slightly tight;
Relying on you, to take me through without fright.
One of these days,
My confusion will untie.
